

## How to read the Isolate lab test results:

**The CTFO Isolate CBD Oil Certificates of Analysis show the total cannabinoids in the far-right column as a milligrams-per-gram value. The product presentation for both strengths is a 30ml container:**

**TOTAL CANNABINOIDS FOR 1500MG OIL:**

**50.05mg x 30 = 1,501.5 mg /container**

**TOTAL CANNABINOIDS FOR 500MG OIL:**

**17.14mg x 30 = 514.20 mg /container**
